Pensée critique & théories du complot: Quote d'Alan Moore

“The main thing that I learned about conspiracy theory, is that conspiracy theorists believe in a conspiracy because that is more comforting. The truth of the world is that it is actually chaotic. The truth is that it is not The Illuminati, or The Jewish Banking Conspiracy, or the Gray Alien Theory. The truth is far more frightening - Nobody is in control. The world is rudderless.”

— Alan Moore “
